

Our Consignment Policy is simple:

**Condition:** All items must be New with tags, Like new or gently used.

**Labels:** All items must have brand label and size attached

**Selling price:** Reluv Clothing will determine the initial listing price for consigned items at their absolute and sole discretion.

If your clothes do not sell within 12 weeks of listing, Reluv Clothing reserves the right to reduce the listing price by up to 50%. If the item remains unsold for a total of 12 months, Reluv Clothing may either

- return it to you, or
- donate it to a charity, depending on your preference as indicated on your Consignment Agreement.

**Payment:** Items will be accepted on a **consignment basis** and you will be paid out when your item sells.

Your payout is a percentage of Reluv Clothing's selling price. The table below outlines how we calculate the payout for your clothes. GST is deducted before calculating your payout. Payments are made once a month and a minimum of 14 days after the date your item sells.

<b>Reluv Listed Price</b>	<b>Payout</b>
